"Build stronger non-profit organizations throughout
the community through charitable contributions,
providing non-financial resources and developing of
community leaders."

The purpose of our Golf Outing is to raise awareness
of the role of the Foundation in the community and in
the leadership and management development of the
men and women who are Grand Rapids Jaycees.

Some of the organizations we have supported in
recent years are: Kid Care ID; Holiday Shopping Tour;
Stark Reality; Special Olympics of Michigan; Millen-
nium Park; Zeeland Community Hospital Foundation;

About the course:

A panoramic view of the Thornapple River provides the backdrop for this expansive 220 acre, 18 hole course. Winding along 7,000 feet of river frontage, your game guides you over gently rolling hills, through hardwood-lined fairways, and near three of the most enchanting, untouched wetlands found in the Midwest.

Thornapple Pointe's wide, sweeping fairways, matched with the flexibility of multiple tees, challenges the limits of your ability, while providing fair and enjoyable play.

The Thornapple Pointe golf experience would not be complete without the assistance of our professional golf staff. From providing the finest possible playing conditions, to meeting each request with enthusiasm, our mission is to provide each guest with a truly outstanding golf experience at Thornapple Pointe.
